All desserts are first come / first served at the counter, so we suggest calling ahead if you have particular flavors in mind that you would like to pick up.

Enjoy your tasty treats togo or in our delightful dining room with our **Dean & Deluca** Coffees, assorted Teas & other beverages.

Our delicious baked goods are prepared fresh from our kitchen daily using only the best ingredients and “from scratch” recipes – no mixes or cake bases commonly used in commercial bakeries. You’ll find we use genuine **Madagascar Bourbon Vanilla, Callebaut, Guittard** and other rich **gourmet chocolates and cocoas**, handmade decoratives, and a variety of other **premium ingredients** in our desserts.

Due to our fresh baked nature and exclusion of preservatives, **we don’t hold cupcakes over to the next day – guaranteeing you fresh desserts every day.**

With that in mind, **we may run out of some flavors before closing**, depending on the day’s business and to avoid wasteful leftovers.

Because we bake from scratch and don’t use bases, mixes or preservatives, **our desserts should be served the day of purchase**. We cannot be responsible for the condition of desserts that are not served promptly, and suggest picking up desserts **no sooner than the day you plan to serve them**.
